

STYLD *BY* GRACE

means to choose grace over perfection. if grace were a dress, it would be the dress that makes you feel good in your own skin. when we put on grace, we wear acceptance and let go of the need for perfection.

Hi there,

Thank you for downloading these original Styld By Grace Christmas Gift tags. The illustrations and lettering were created by hand with lots of love by yours truly, Theresa. I hope you love them and share them with the ones you care about the most.

Directions: scroll down to your preferred print and print that page on a 8.5" X 11" sheet of paper. I recommend using card stock for these gift tags. For a more precise line, use an exacto knife and ruler to cut along the grey lines.

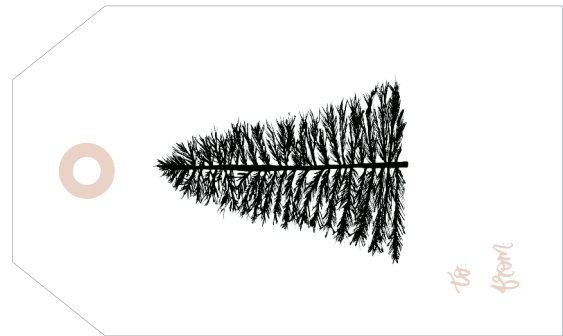

Share how you used these gift tags! I would love to see how you used your gift tags.
