Modern goods and resources to
encourage and equip a life of grace

Hey friend!

Thanks for downloading this Galentine's Day freebie. This mini photo book template / DIY was design to make a customized gift for your friends. It's very simple to make just follow the instructions below.

Directions: scroll down to the next page and print the photo book templates on 8.5" X 11" sheets of paper. There are 3 different designs to pick from for the cover (pg. 2). And photo inserts that you can print multiple times (pg. 3). I recommend using heavy card stock paper for both the cover and inserts.

Next, cut along the outside borders of the templates and follow the instructions on the next pages to fold and cut in the right places. Then, glue your pictures onto the photo insert templates.

Lastly, place the photo inserts inside of the photo book cover of choice. Bind the book cover and inserts using the outlined holes with ribbon or paper hole protectors.
